केन्द्रीय विद्युत विनियामक आयोग
CENTRAL ELECTRICITY REGULATORY COMMISSION

Harpreet Singh Pruthi
Secretary

F. No. Eco-14/5/2022-CERC

Date: 20th November, 2023

To,

All Electricity Trading Licensees
(as per the list attached)

Subject: Uploading of Monthly Information on the website of Trading Licensees-reg.

Dear All,

This is with reference to the submission of monthly information in accordance with Regulation 11 of CERC Trading Licence Regulations 2020 and the terms & conditions of the electricity trading licences granted by the CERC. In this regard, it is relevant to mention that Regulation 11(2) of CERC Trading Licence 2020 provides as under:

"11(2)

..

Provided that the information sent to the Commission, shall be posted on the website of the Trading Licensee by 15th of the succeeding month, and such report shall be available on the website for not less than five Years

"

2. The staff of the Commission has been regularly monitoring the status of the updation of monthly information on the website of the trading licensees. In this regard, from time to time, several telephonic and email correspondences have also been made with the concerned trading licensees to post updated monthly information on their website, as stipulated under the regulations.

3. As the number of trading licensees has increased significantly in the recent past with the introduction of Trading Licence Regulations 2020, a comprehensive review of the status of the updation of the monthly information on the website of the trading licensees has been undertaken. Based on the recent review, it has been observed that some of the trading licensees are not updating information on their website on a regular basis, whereas in some cases either the website is not working or no data/download option is available. Besides, some discrepancies have also been observed in the available data. The status of the submission of information by all the trading licensees on their website (as of 07.11.2023) is annexed.

4. The Commission has been apprised of the non-compliance of regulations by some of the trading licensees as indicated in the Annexure. The Commission expects the trading licensees to comply with all the provisions of the extant regulations both in letter and spirit and directs all the concerned trading licensees to upload the information on their website in a time-bound manner in future as stipulated in the regulations, failing which they will be liable for penal action as per the relevant provisions of the regulations. Further, the concerned trading licensees are directed to upload the past data in the prescribed formats (month-wise till October 2023) on their respective websites before 30th November 2023 and correct the discrepancies in the available data as indicated in the annexure, under intimation to the undersigned at secy@cercind.gov.in and cc to marketmon@cercind.gov.in.
5. Moreover, in the interest of market participants, it is suggested that the trading licensees should strive towards building the necessary technological capabilities to provide data through API to the Commission and other market participants on a regular basis.
6. This issues with the approval of the Competent Authority.

Yours faithfully,

(Harpreet Singh Pruthi)

Annexure
